Dear Members,

The Singapore Polo Club is one of the most historic sporting and social clubs here in the Lion City. In particular, I enjoy the spirit of camaraderie and the ambience at the club. What is also great about the Singapore Polo Club is that it has continuously evolved its facilities and services.

We are currently in the midst of converting The Right Verandah and The Mountbatten Room into upmarket dining options. This decision came about after we have received your feedback for more Food & Beverage choices. I’m sure that the new dining facilities will add a further dimension to the vibrancy and verve at the Club.

In addition to the infrastructure, we are also looking at improving the software.

The grooms are an integral part of the Club, as they are the people who keep our horses in tip-top condition, inside and out. Singapore Polo Club recognises the hard work and dedication put in by our grooms, so we will be helping them by means of a career progression plan.

Ms Amelie Villeneuve, a Singapore Polo Club member and an expert in Human Resource Management, has kindly offered us some good tips on training and developmental plan for the career goals of the grooms and also getting them to give feedback on their working environment. With this, we want to promote loyalty, passion and to have more engagement with the grooms. Likewise, the grooms can look forward to better remuneration and more opportunities to develop their career skills at the Club.

2015 marks Singapore’s 50th year of independence and in conjunction with the celebration of SG50, Singapore Polo Club will be hosting a dinner for all our members to mark the special occasion, where you can catch up with fellow members and celebrate the nation’s golden jubilee.

Keep a look out for the details and I look forward to meeting you at the Club.

Best regards,
Rickard Hogberg
President

The Club hosted the annual National Dressage Championship on April 24-26, with 27 riders competing over 3 days and many more in the individual competitions. It was the first event in Singapore to follow a night time program that saw riders compete under the lights “stars” of the covered arena. On the Saturday night, riders competed to music whilst spectators sipped champagne from the viewing balcony overlooking the arena, followed by an after party at the Chukka Bar. Many riders said it was one of, if not the best show they had ever competed at in Singapore.

SPC rider, Katherine Desbailliet and her horse Danny De Vito rode Singapore’s first ever Grand Prix level test. Katherine has trained Danny since he was a baby all the way through to Grand Prix and a delight to watch in the arena.

In the preliminary class Gina Lim riding her ex-polo pony Morena to win the Preliminary “Open” Championship scoring above 70% in all classes, scores rarely seen in Singapore! The Preliminary “restricted” class was won by Angelina Sailing riding Boris, followed by Leila Wynil on Ollie, and Sophie Parkhurst on Reve. All Club school horses.

In the Novice class BTSC rider Elisabeth Bolliger took the honours on ex-Youth Olympic games horse Travelling Solider. Second was Imogen Laird on her new horse

The elementary class was won by BTSC rider Hannah Brown on Falcon Kitchwaike, followed by SPC rider Shana Thurley on Sir James.

The medium class was won by Sharon Koch on her very impressive horse “Don Alvarito”. Don Alvarito also competed at the SEA Games for Indonesia by Audrey Njoto, a resident SPC rider to win Team Gold.

The advance class was won by SPC instructor Rolando Gonzalez on our livery horse Mon Plaisir owned by Julie Ovidi. Laura Richardson rode Don Le Beau owned by Soh Wei Chi to win the FEI Small Tour.

A special thank you to the judges, Uwe Spenlen from Germany and Col Shivdas from India and all our sponsors and helpers who made the weekend a great success.

Gold and Silver for Singapore at South East Asian Games

SEA Games from June 8 to 10 was held at Singapore Turf Club Riding Centre and a great success for the equestrian community in Singapore and the region. The Club would like to congratulate Team Singapore, who won Team Gold in the Jumping, and Team Silver in the Dressage. The club would also like to congratulate individual winners, Catherine Chew, Individual Silver in Jumping, and Caroline Chew, Individual Silver in Dressage. Also our resident Club riders, Audrey Njoto, Team Gold in the dressage for Team Indonesia, Catherine Oh and Soh Wei Chi, Team Silver in the dressage for Team Singapore.

A lot went on behind the scenes to make the event happened. Singapore Turf Club Riding Centre (STCRC) had to move 52 horses out of their facilities to make way for the SEA Games competition horses. The Club supported the games by housing 32 of their horses in our NEP polo livery yard, which meant temporarily relocating our NEP polo livery owners into Main and Mt Pleasants yards. The STCRC horses moved back to their facilities on June 15 which left most of NEP empty. Rather than immediately move back into NEP, it has given the Club a rare opportunity to give NEP a big spring clean and refresh before moving our livery horses back in. The Club thanks our livery owners for their patience during this period and the Equestrian Federation of Singapore for all their hard work to make the SEA Games equestrian event a big success.
SPECIAL OFFER FOR SINGAPORE POLO CLUB MEMBERS: Until 20th March 2016, stay 7 nights and pay only 5 (based on availability).

A DREAM, THE JOURNEY AND THE GOLD

It’s been a dream of mine to compete at the SEA Games. As I’m an Indonesian living in Singapore, I could only play a supporting role to Team Singapore at previous SEA Games. This year, I finally had a chance to live my dream and ride at the games for Team Indonesia!

The journey to the games was a wild roller coaster ride for me. I was informed of the chance to ride for Indonesia last November and it was the start of a memorable 8 months. I was blessed with great coaches and mentors, like Laura Richardson. I told her about my goal of competing in the SEA Games and she took up the mantle and lived this dream with me. Larasati Gading, winner of multiple SEA Games and Asian Games medals, took me under her tutelage. Polly Ann Huntington dropped everything and flew to Singapore to fine tune our preparations in the final weeks leading up to the games.

In these 8 months, many things were put to test. Be it on the mental or physical front, my endurance, determination, discipline and even values and strength of friendships were tested. Without the strong support and help from my mentor, coaches, family and friends, it would have been a long and dreary road.

I learnt that there will always be many stumbling blocks and that the real test of an athlete starts from the day you decide to work towards your goal and the manner in which you push yourself to overcome the challenges.

And with that the moment came - the 28th SEA Games.

Though I was nervous, I was so happy that Team Indonesia coach Haley Beresford, my mentor-coach and teammates were finally here! The team was a single cohesive unit who were focused on their objectives.

6 June 2015. Team Dressage Final
The team event was a neck and neck fight between Singapore and Indonesia. Caroline Chew, the final team rider for Singapore completed her test, put Singapore in first place. However, Larasati Gading delivered the highest score of the day on, Wallenstein, and we won gold.

The top ten riders from the team competition geared themselves for the individual rounds, with the first round being the FEI Prix St. Georges test and the final round the Intermediate Freestyle to music. Laras once again delivered and bagged the Individual Gold Medal. Caroline Chew won Silver for Singapore while Alvaro Menayang won the bronze for Indonesia.

The SEA Games was truly an epic journey for me and I have so much to be thankful for. A big thank you to my family, friends and people who have been behind me every step of the way and supporting in any way they can.

I’d like to thank Therecia Tay and Samantha Parkhurst from Singapore Polo Club for providing me with their horses to train and compete on; Rebekka and the Koch family for trusting me with their precious horse and Don Alvarito, who performed with me at the Games and my special horse, Come Along.

Thank you, Singapore Polo Club, for providing us with a conducive environment to prepare for the Games, the support and the sponsorship.

And finally, a big thank you to my teammates and coaches for being such amazing individuals.

The SEA Games has been an inspiring journey and I can’t wait to share all I have learned with my students. In 2 years, the next SEA Games will be held in Malaysia and I am looking forward to start my journey now. I hope that the Games was an inspiration to others and they too will strive towards realizing their dreams as I did with mine!

Headhunters/Elevation overcame K2 Polo Nirvana 6-5 in the finals of the TATA Communications Singapore Open 2015. The victory also means that they have won all three of the Singapore Club’s Triple Crown Tournaments, making them the champions of the 2015 series.

Earlier in the afternoon, spectators were treated to a show jumping performance, samba performance, whisky tasting hosted by Royal Salute, free flow of Stella Artois and an exhibition match on Sunday, May 24th 2015 at the Singapore Open 2015 before an exhilarating finals match. Headhunters/Elevation and K2 Polo Nirvana went back and forth throughout the game, with the winning goal coming in only during the dying seconds of the fourth and final chukka.

Waqas Khan of K2 Polo Nirvana took consolation from his Most Valuable Player award for the tournament. The Best Playing Pony award went to Claudia, belonging to Head Hunters/Elevation’s Yeo Kuo Lee. Best Turned Out Pony went to Lambada, belonging to Asad Jumabhoy. Title sponsor TATA Communications has now lent its support to this tournament for the fourth consecutive year.

Said Vinod Kumar, Captain of K2 Polo Nirvana: “The game was real close, it could have been won by either team. In the last 15 seconds, there was an opportunity and the other team used it to score their final goal. It could have been anyone’s game today.”

Satinder Garcha, Captain of Headhunters/Elevation, was thrilled about his team’s outstanding performance throughout the entire Triple Crown Series: “It was a good game! It feels good to win, especially since it’s the first time a Triple Crown was ever won in Singapore.”

The Singapore Polo Club Triple Crown series comprises the Diplomat’s Cup, the International ProAm and the Singapore Open. In addition to winning all three tournaments, the series is made more challenging as each of the three tournaments are played at different handicap levels. This requirement often forces teams to be made up of a different combination of players for each tournament.

The series kicked off in March this year with the Diplomat’s Cup, at 2-4 goals. Satinder Garcha led Team Asia (Headhunters & Elevation) to a 13-6 1/2 victory over Team Africa. Team Headhunters took top honours a month later at the International ProAm, a 4-6 goal tournament.

The coalition came together again as Team Headhunters/Elevation and they completed the hat trick of winning the Triple Crown at the recent 8-10 goal Singapore Open 2015. Three cheers for the Triple Crown champions!
