### How to start playing polo or start having polo riding lesson

If you already have a polo handicap

- 1) Send in a letter or email of request to start playing polo to [polo@singaporepoloclub.org](mailto:polo@singaporepoloclub.org) and address it to the Polo Captain, accompanied by a letter of introduction from the Club where you are currently playing polo. Most importantly the letter must state your polo handicap.
- 2) Once the Polo Captain approved your request, you will need to undergo a polo assessment to determine if you are suitable to start playing polo. The assessment usually last for half an hour and cost \$90 inclusive of 7%GST (rates subject to change). There will be an additional 50% charge for non-member.
- 3) Upon passing the assessment, you will need to purchase a Chartered Individual or Chartered Corporate membership to start playing polo.

If you do not have a polo handicap or would like to have polo lessons

- 1) Send in a letter or email of request for polo lesson to [polo@singaporepoloclub.org](mailto:polo@singaporepoloclub.org) and address it to the Polo Captain stating your experience in polo/ riding.
- 2) Once approved there will be a polo/riding assessment to determine the eligibility to start having lessons. Assessment will usually last for half an hour and will cost \$90 inclusive of 7%GST (rates subject to change). There will be an additional 50% charge for non-member.
- 3) For lessons, you can start with polo riding lesson and subsequently stick & ball lesson. Thereafter, when your instructor has assessed that you are competent enough for the polo test, you can sign up for the polo test which will be held periodically. The polo test involves a polo theory and practical test and upon passing a (N)ovice handicap will be granted which enable you to play polo on weekdays. You can only play polo in the weekends when you have obtained a handicap of N+ or above or subject to the Polo Captain approval.

If you do not wish to purchase a membership, as you will be in Singapore for a short-term period, you will need to send in a letter or email to [polo@singaporepoloclub.org](mailto:polo@singaporepoloclub.org) and address it to the Polo Captain stating your requests and explaining your situation. Upon approval by the Polo Captain, you can start playing polo or have polo lesson but there is an additional 50% charge on top of the prevailing members' rates.

## Start playing polo

You will need horses to start playing polo. You can follow either of the ways below:

### a) **Transfer of allocated stable from another member**

The Club's polo stables are only allocated to polo players. You can check the Polo notice board located at the Club house on notices for stable transfer. Then you will need to negotiate with the members who are transferring their stable on the terms of the transfer. Upon agreement, the member who is transferring the stable must fill in the **"REQUEST FOR STABLE REALLOCATION"** indicating who he would like to transfer the stable to. As for the member who would be taking over the stable allocation, he must fill in the **"REQUEST FOR STABLE ALLOCATION FORM"**. If a transfer of horse is also involved, both parties must fill in the **"SALES CONTRACT FORM"**. All these forms must then be submitted to the polo office for the approval by the Polo Sub-Committee. Upon approval, a letter will be sent to both parties and the member being allocated the stable will have to pay \$5000 transfer fee and a stable deposit of \$1000 (stable deposit refundable on transfer of stable to another party). All the forms indicated can be obtained from the office or you can request for them by e-mailing [polo@singaporepoloclub.org](mailto:polo@singaporepoloclub.org)

### b) **Application for a Leased Club stable**

You can apply for a Leased Club stable by writing in or e-mailing the Polo Captain at [polo@singaporepoloclub.org](mailto:polo@singaporepoloclub.org). The polo Club stables are only available to polo players with a valid SPC polo handicap. The allocation will be subject to the approval and applicant will be informed on the status of their application.

### c) **Hire a horse from the Club on a monthly basis**

Members can lease a Club horse from the Club by filling in the **"HIRING OF CLUB POLO HORSES FORM"** and submit it to the Polo Executive before the 25<sup>th</sup> of the month. Members will be notified on their allocation subsequently.

### d) **Hire a horse from the Club on an ad-hoc basis**

Members can hire a horse for polo on an ad-hoc basis. Ad-hoc hiring of Club horses refers to the booking of horses on the day of polo and it will be based on a first come first served basis. Once a horse has been allocated, it will be deemed to be a confirmed booking and in the event of cancellation of polo due to unsuitable ground and/or weather conditions, the lessee will nonetheless be obliged to pay 25% of the chukka hire charges. The closing time for the booking of horses for polo will be 2 hours before the start of polo to enable adequate time for horse allocations.

### e) **Advance booking of Club horse for polo**

Members can also advance book a horse for polo. Advance booking of Club horses is available up to 3 days before the day of polo. Once a horse has been allocated, it will be deemed to be a confirmed booking and in the event of cancellation of polo due to unsuitable ground and/or weather conditions, the lessee will be obliged to pay the full hire charges. The Club reserves the right to discontinue or reject advance booking on selected horses as it deems fit.
