<p>Tournament stables: players of -1 handicap and above will be permitted to apply for up to 4 extra Tournament stables. As a guideline and depending on demand, stables will be capped at a maximum of 8 stables per family in total including Tournament Stables.</p> <p>These Tournament stables are for players who commit to actively participate in tournaments and should play both the High (6-8 goals) and Medium (2-4 goals) in Spring & Autumn. They must also commit to mounting a pro during these tournaments with the horses stabled in the tournament stables. The player has first right of refusal to have the pro playing in his/her team use the horses. The Polo Captain may impose limits on play during off tournament season, on horses stabled in Tournament stables.</p> <p>Tournament stables may be of lower standard from ordinary stables, with a 3 months termination notice period for either party and a S\$250 discount per month to term livery.</p> <p>When making decisions on allocations, the Committee, on the advice of the Polo Sub-Committee, will first accord priority to the player's polo handicap and then secondly, to the date of application.
